

# Birds of New Guinea, 2<sup>nd</sup> edition

PIERC Project Leader: Thane K. Pratt, Ph.D. (w/ Bruce Beehler, Conservation International)

## Objective:

- ☆ produce an all-new field guide to the birds of New Guinea
- ☆ add new features such as range maps and detailed facing-plates
- ☆ improve conservation message and eco-tourism opportunities

## Accomplishments:

- ☆ book outline and format drafted
- ☆ 90 species accounts drafted
- ☆ 34 new plates painted
- ☆ sample of maps and facing plates drafted
- ☆ 4 field trips completed

## Significance:

- ☆ covers the central region of bird diversity for the South Pacific
- ☆ the field guide is a key tool for avian research and conservation
- ☆ the previous field guide is out-of-date and out-of-print
